NITRO™
DECK

FIRMWARE UPDATE HISTORY
An overview of the changes to our firmware.

It's recommended that you always use the latest version of the firmware in your Nitro Deck.

| Version	Release Date	Updates
CRKD_ND_Firmware_V2	November-2023	Adjustable Rumble Setting Adjustable Trigger Button Actuation Setting Updated Wired Mode Operation Improved Motion Controls Bug Fixes
CRKD_ND_Firmware_V1	August-2023	Initial Release

UPDATING FIRMWARE

Instructions for updating Nitro Deck firmware.

OUTPUT

STEP 1

Open the Nitro Deck firmware .exe file on your Windows PC.

STEP 2

Connect the Nitro Deck to the Windows PC via USB.
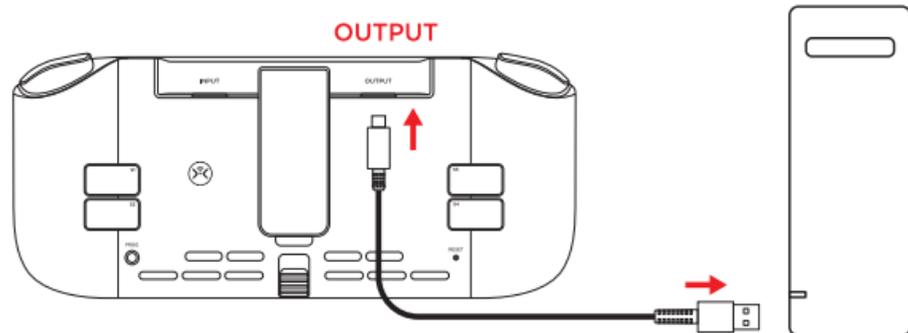

STEP 3

Press and hold the CRKD (Home) Button, Y & X simultaneously for 3 seconds to enter update mode. The firmware will recognize the controller and device status will be ONLINE.

STEP 4

Press the "Update Firmware" button. The status bar will say "SUCCESS" when completed. The USB cable can be disconnected from Nitro Deck.

FROM THE SWITCH HOME MENU, SELECT "SYSTEM SETTINGS" > "CONTROLLERS AND SENSORS" > THEN TURN ON "PRO CONTROLLER WIRED COMMUNICATION".
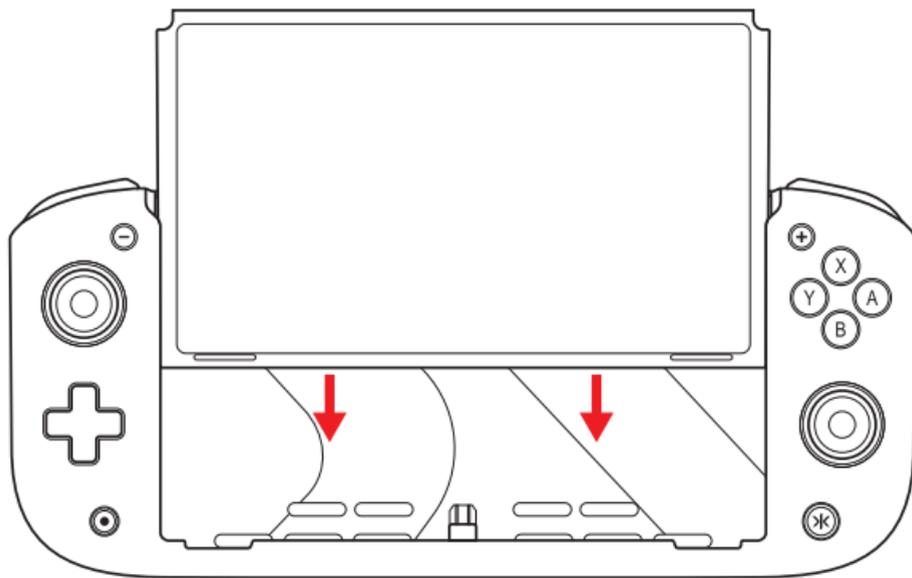

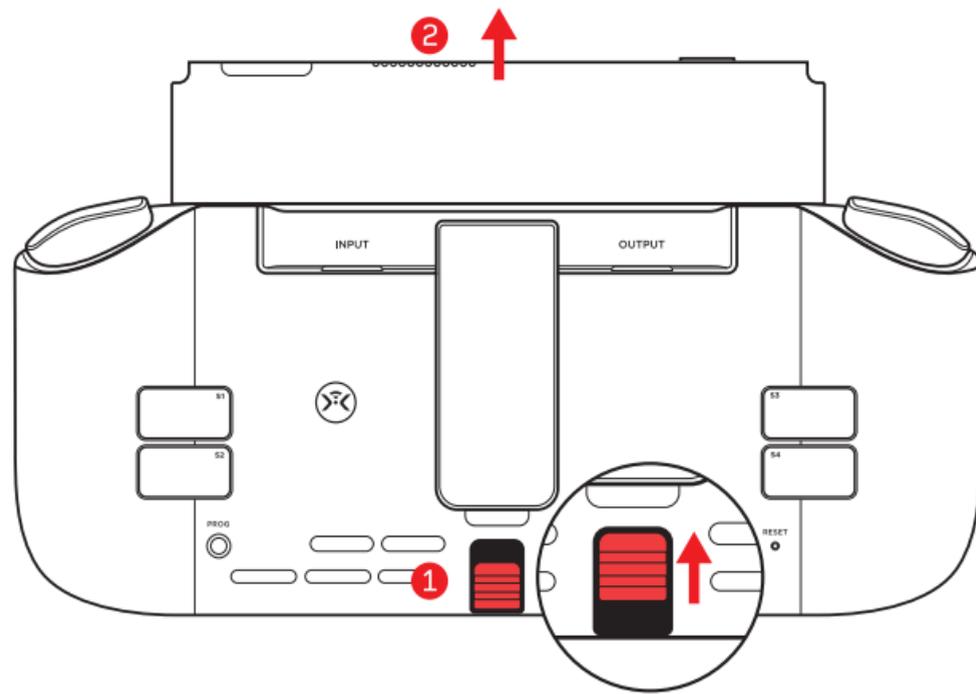

SETUP CONTINUED

DETACH JOY-CON CONTROLLERS
Remove the Joy-Con controllers and any cables from the Switch. Make sure the Switch kickstand is closed.

ATTACH THE SWITCH
Lineup the Switch with the Nitro Deck and slide carefully together until they dock. Keep the Switch straight while attaching. The Switch clicks into position and is held securely.
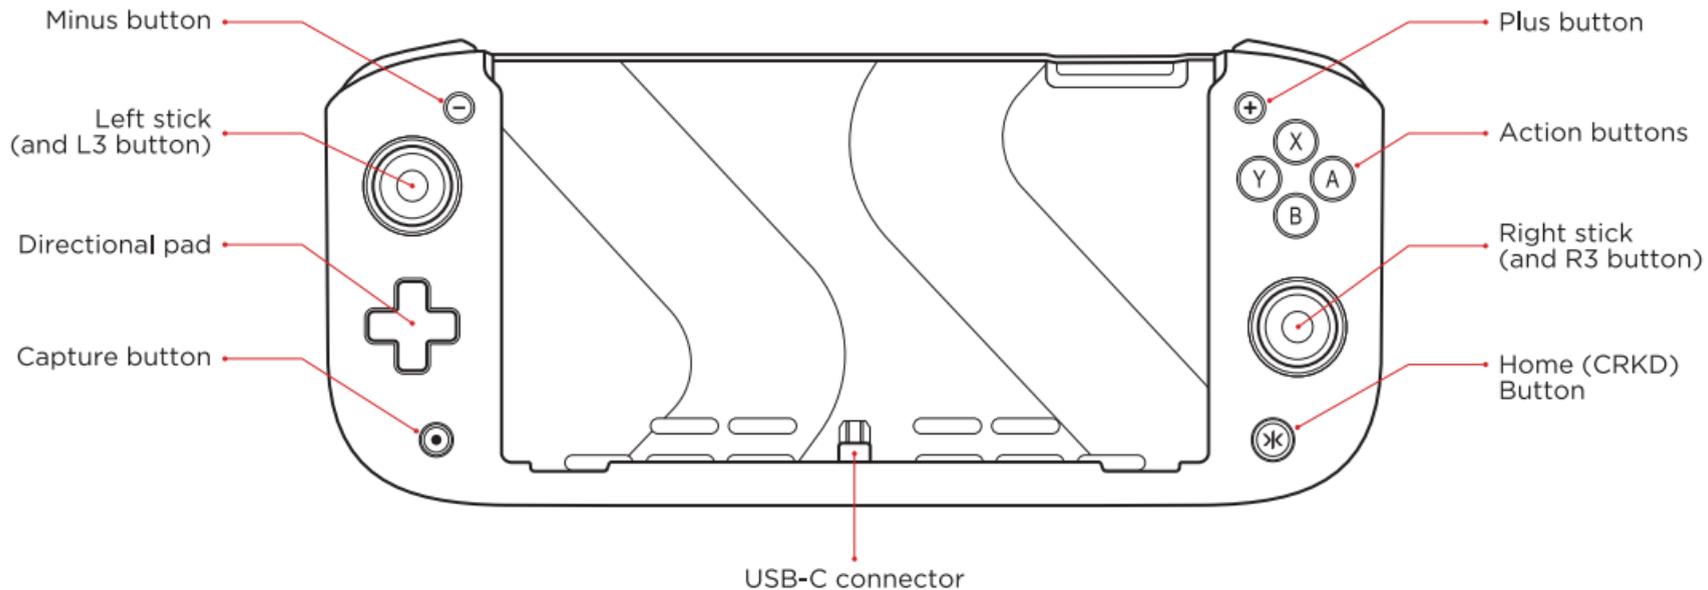

To remove the Switch, slide the lever on the back of the Nitro Deck as shown. Keep holding the lever in position and slide the Switch out.

PLAY & CHARGE

The Power Adapter supplied with the Switch can be connected to the USB INPUT on the back of the Nitro Deck. The Power Adapter supports playing game software while also charging the Switch. **NOTE:** The Nitro Deck does not include a battery.
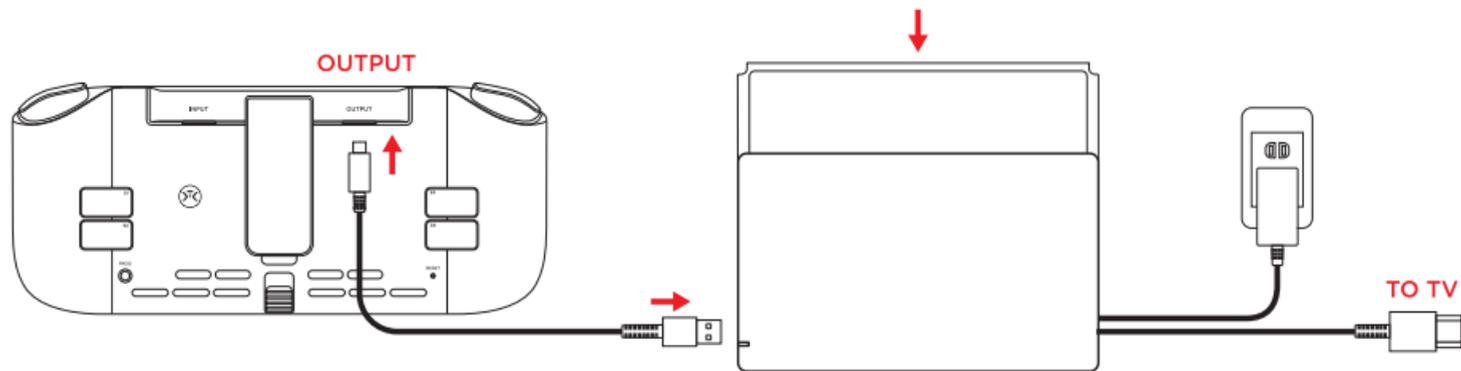

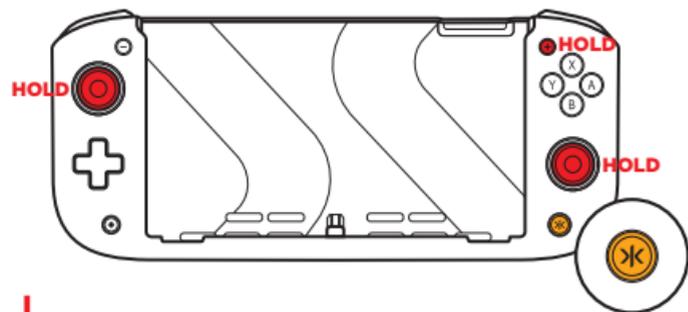

WIRED MODE OPERATION

The Nitro Deck can be used as a Wired Controller while the Switch is in the dock and plugged into a television.

With the Nitro Deck in Handheld Mode, press and hold L3, R3 and (+) at the same time for 3sec and release (press down vertically on both Sticks). The Home (CRKD) button LED changes to Orange to indicate Wired Mode.

Press and hold both L3, R3 and (+) again to change back to Handheld mode. The Home (CRKD) button LED changes to white indicating you are back in standard handheld mode.

Note: While in Wired Mode, play is not possible with the Switch docked in the

Note: A USB Cable is required for Wired Mode play. USB cables are not included with all Nitro Deck Editions.

PROGRAMMING BACK BUTTONS (S1-S4)

You can program a single input or a series of inputs.

STEP 1

Press and hold the Program (PROG) button on back of the Nitro Deck for 3 seconds until the Home (CRKD) button starts to flash purple. Release the Program (PROG) button.

STEP 2

While the Home (CRKD) button is flashing purple, press the desired inputs you would like to assign to the back buttons.

STEP 3

When you have finished entering commands, press either S1, S2, S3 or S4 to map the chosen commands to the S button. This completes the mapping process, and the Home (CRKD) button LED will turn solid purple then back to white to signify the remapping has been successful.
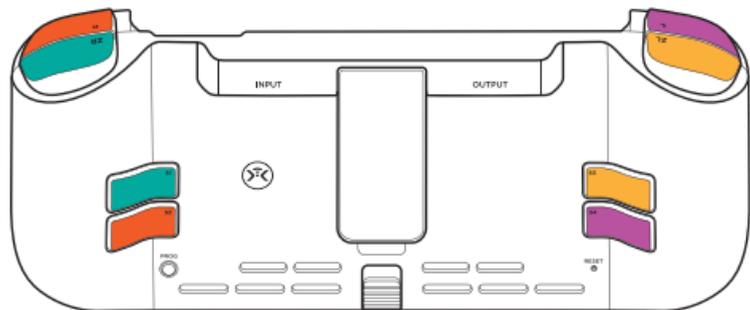

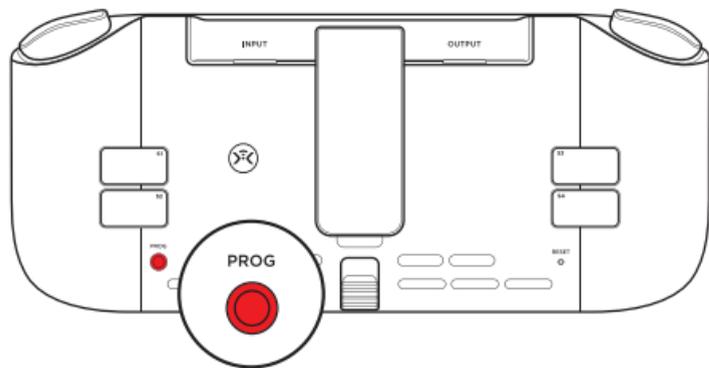

By the default, the Back Buttons are mapped as follows:
S1-ZR, S2-R, S3-ZL, S4-L

RESETTING AND CLEARING BACK BUTTONS (S1-S4)

You can reset to default or entirely clear the back buttons from any function.

RESETTING A SINGLE BUTTON

Hold the Program (PROG) button for 3 seconds until the CRKD LED flashes purple. Press the back button you want reset. This will reset the button to its default programming.

RESETTING ALL BUTTONS TO FACTORY SETTINGS

Hold the Program (PROG) button for 5 seconds. CRKD LED will flash purple and then turn solid purple. Release Program (PROG) button while LED is solid purple, and it will return to white. This resets all back buttons to factory settings.

DISABLING BACK BUTTONS

Hold the Program (PROG) button for 7 seconds. CRKD LED will flash purple and then turn solid purple then white and the Nitro Deck will vibrate. This clears and disables all programming so the back buttons become inactive.
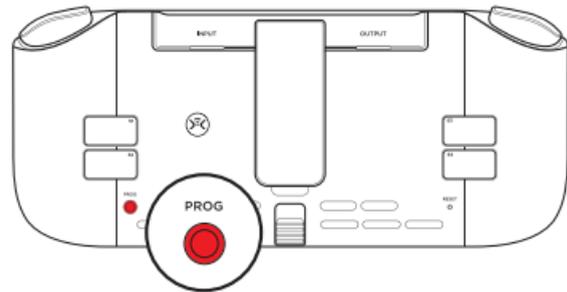

ADJUSTING LED BRIGHTNESS

The Nitro Deck Home (CRKD) button features an LED to show the play mode and other settings. The LED brightness can be adjusted or set to OFF using the Program button on the back of the Nitro Deck. Each press of the Program button decreases the brightness, and the last setting sets the LED to OFF. **Note:** Adjusting some Nitro Deck settings will turn the LED ON.

CONFIGURING TURBO SETTING

Turbo mode will allow the Nitro Deck to spam a button at the speed of your choice.

STEP 1

Press and hold ZL and Minus Button (-) for 2 seconds. The CRKD LED will flash green.

STEP 2

Choose your turbo speed by pressing the plus (+) button to increase turbo rate and minus (-) button to decrease turbo rate. After choosing turbo speed press the button you want turbo applied to..

The Home (CRKD) button will now turn solid green signifying you are in turbo mode & button has been assigned.

When you hold your assigned turbo button, the CRKD LED will flash at the same rate as your chosen speed.

To leave turbo mode, press and hold ZL and the minus (-) button for 4 seconds. The CRKD LED will flash green then turn white to signify you are back in normal mode.
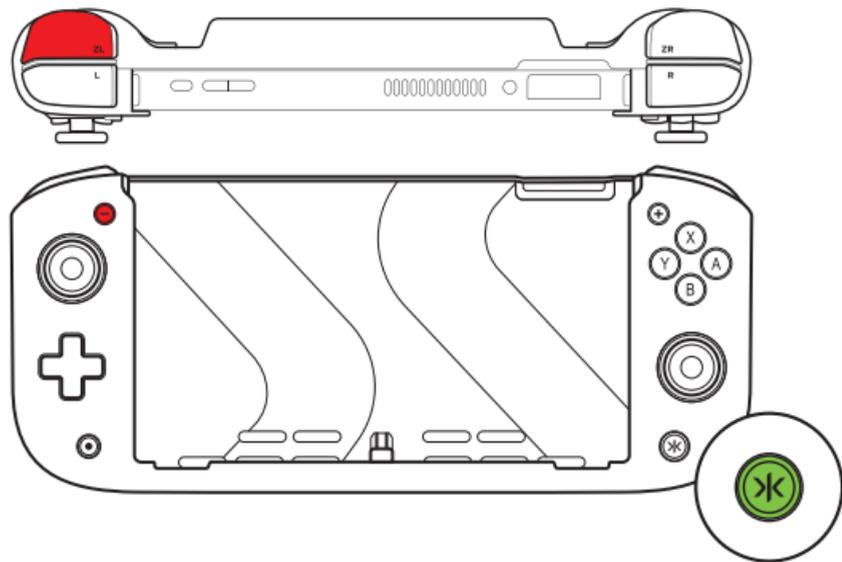

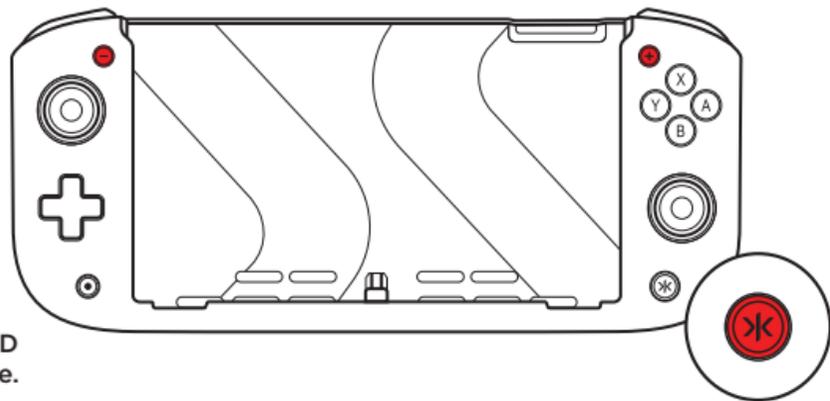

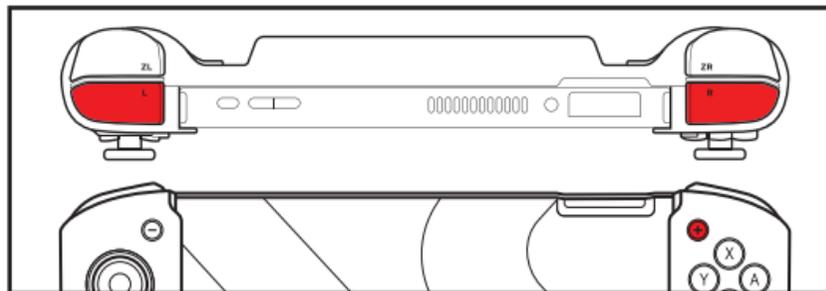

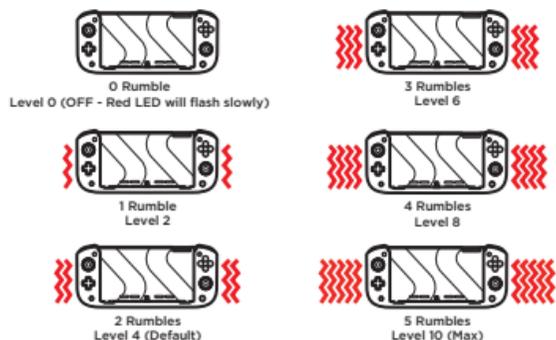

CONFIGURING RUMBLE SETTING

The Nitro Deck features two rumble motors, and each side can be adjusted individually to six different settings.

STEP 1

To adjust the left rumble motor, press and hold "L" and Plus Button (+) for 3 seconds. To adjust the right rumble motor, press and hold "R" and Plus Button (+) for 3 seconds. When the Home (CRKD) LED starts flashing RED, you can begin adjusting the rumble intensity.

STEP 2

Select the desired rumble setting by pressing the plus (+) button to increase rumble intensity and minus (-) button to decrease it.

0 Rumble
Level 0 (OFF - Red LED will flash slowly)

1 Rumble
Level 2

2 Rumbles
Level 4 (Default)

3 Rumbles
Level 6

4 Rumbles
Level 8

5 Rumbles
Level 10 (Max)

After the rumble setting has been adjusted, the Home (CRKD) button LED will turn back to white after 5 seconds if no further adjustments are made.

Note: Each level is a small incremental change and very subtle.
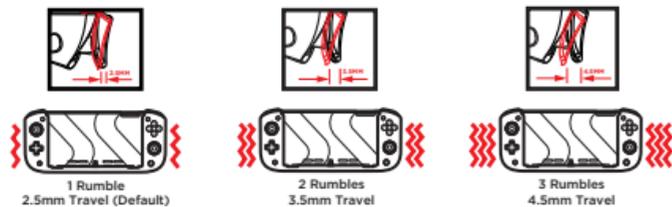

CONFIGURING TRIGGER BUTTON ACTUATION SETTING

The Nitro Deck's trigger buttons can be adjusted to three different travel settings.

STEP 1
Press and hold "ZL" and Plus Button (+) for 3 seconds. When the Home (CRKD) button LED starts flashing Cyan, you can begin adjusting the trigger button actuation settings.

STEP 2
Use the plus (+) button to increase travel and minus (-) button to decrease it.

1 Rumble
2.5mm Travel (Default)

2 Rumbles
3.5mm Travel

3 Rumbles
4.5mm Travel

After the trigger button actuation setting has been adjusted, the Home (CRKD) button LED will turn back to white after 5 seconds if no further adjustments are made.

Note: Turn on rumble for haptic feedback during adjustment.
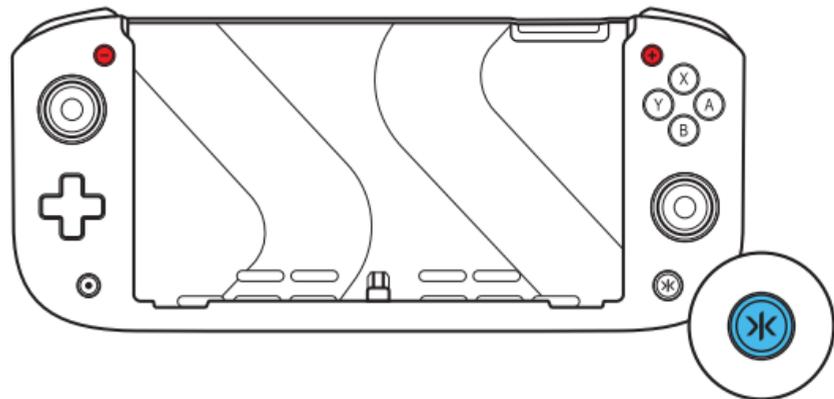

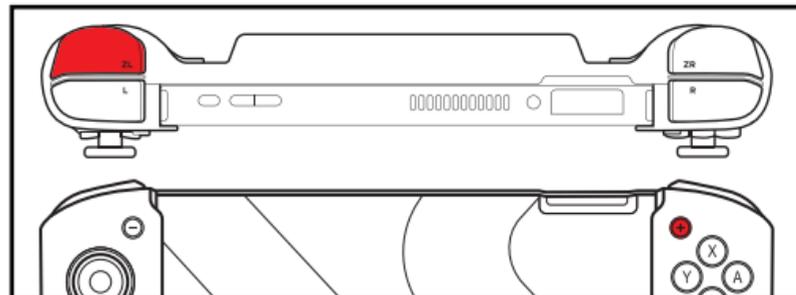

NO DEAD ZONE MODE

Press and hold ZL and Capture Button for 3 seconds. The Home (CRKD) button LED will change to BLUE and then revert to WHITE after 8 seconds, indicating that the stick dead zone has been decreased.

To change back to default, Press and hold ZL and Capture Button for 3 seconds. The Home (CRKD) button LED will change to BLUE and then revert to WHITE after 8 seconds, indicating that the stick dead zone is back to default.

Recommended: It is recommended to calibrate both sticks in the Switch system settings (Calibrate Control Sticks) after adjusting the stick dead zone, before starting your gameplay.

STICK TOPPER REPLACEMENT

1. Remove each Topper by gently rotating and pulling upwards.
2. Replace a Topper by placing onto the Stick and pressing down firmly.

TAP AND COLLECT

The Nitro Deck contains an RFID touchpoint. Use the CRKD app and an NFC-antenna enabled smartphone to add the Nitro Deck to your collection. The CRKD app includes complete instructions and videos on how to tap your device. Scan the QR code below to download the CRKD app.

LIMITED WARRANTY

CRKD warrants to the original consumer purchaser that product will be free from defects in materials and/or workmanship for the length of time specified in the warranty period from the date of purchase, this being 2 Years, as set forth at **www.crkd.gg/warranty**. If a defect covered by this warranty occurs during the warranty period, CRKD at its option will repair or replace, at no charge, any part that CRKD deems is defective.

This warranty shall not apply if the product has been damaged by abuse, misuse, negligence, accident, modification, tampering or by any cause unrelated to defective materials and/or workmanship. Repair or replacement as provided under the warranty is CRKD exclusive prerogative. To obtain warranty services, under certain circumstances, you may be required to return the item to CRKD for inspection and evaluation. You will be required to provide a valid proof of purchase, including the price paid and the date the product was purchased for CRKD to determine the warranty status. Products purchased from unauthorized dealers, such as marketplaces i.e. eBay and Facebook are excluded from this warranty.

In no event shall CRKD be accountable for incidental damages resulting from the breach of any different additional legal rights, including longer warranty periods, which vary from jurisdiction to jurisdiction. Some jurisdictions do not allow certain limitations on how long implied warranty lasts. In addition, consumers have legal rights under applicable national legislation governing the sale of consumer goods. Such rights are not affected by warranties set forth herein, except to the extent allowed in law.

AUSTRALIAN WARRANTY STATEMENT

These goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

If purchased in Australia or New Zealand, this product comes with one year (12 months) warranty from date of purchase.

Defects in the product must have appeared within one year from date of purchase, in order to claim warranty. All warranty claims must be facilitated back through the retailer of purchase in accordance with the retailer's returns policy and procedures.

Any expense incurred as a result of returning the product to the retailer of purchase is the full responsibility of the customer.

SAFETY STATEMENTS

Use and handling
• Before use, check that there is plenty of space around you.
• When using the controller, grip it firmly and make sure it cannot slip out of your hand.
• If using a controller that is connected to the console with a cable, make sure that the cable will not hit a person or object. Also take care to avoid pulling out the cable from the console.

Exterior protection
Follow the instructions below to help prevent the product exterior from deteriorating or becoming discoloured.
Do not place any rubber or vinyl materials on the product exterior for an extended period. Use a soft, dry cloth to clean the product. Do not use solvents or other chemicals.

SAFETY
• Avoid prolonged use of this product. Take a break at about 30 minute intervals.
• Stop using this unit immediately if you begin to feel tired or if you experience discomfort or pain in your hands or arms during use. If the condition persists consult a doctor.
• This product is intended for use with your hands only, do not bring it into close contact with your head, face or the bones of any other part of the body.
• The vibration function of this product can aggravate injuries, do not use the vibration function if you have any ailment or injury to the bones, joints or muscles of your hands or arms. You can turn on or turn off the vibration function from (Settings) on the function screen.
• Permanent hearing loss may occur if the headset or headphones are used at high volume. Set the volume to a safe level. Over time, increasingly loud audio may start to sound normal but can actually be damaging to your hearing. If you experience ringing or any discomfort in your ears or muffled speech, stop listening and have your hearing checked. The louder the volume, the sooner your hearing could be affected. To protect your hearing:
- Limit the amount of time you use headset or headphones at high volume.
- Avoid raising the volume to block out noisy surroundings.
- Lower the volume if you can't hear people speaking near you.
• Do not stare at the light on the controller when it is blinking, if you experience discomfort or pain anywhere in or on your body from light stimulation, stop using immediately.
• Never disassemble or modify the product.
• Do not expose the product to high temperatures, high humidity or direct sunlight.

• Do not allow the product to come into contact with liquids.
• Do not put heavy objects on the product.
• Do not throw or drop the product or subject it to strong physical shock.
• Do not touch the ports or insert any foreign objects into them.

ADDITIONAL LEGAL

COMPLIANCE STATEMENTS

FCC STATEMENT: This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

-Reorient or relocate the receiving antenna.
-Increase the separation between the equipment and receiver.
-Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-Consult the dealer or an experienced radio/TV technician for help.

ISED STATEMENT: This device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's license-exempt RSS(s). Operation is subject to the following two conditions:
This device may not cause interference.
This device must accept any interference, including interference that may cause undesired operation of the device.

Cet appareil contient un ou des émetteurs/récepteurs exempts de licence conformes aux RSS exempts de licence d'Innovation, Sciences et Développement économique Canada.
Le fonctionnement est soumis aux deux conditions suivantes :
Cet appareil ne doit pas provoquer d'interférences.
Cet appareil doit accepter toutes les interférences, y compris les interférences susceptibles de provoquer un fonctionnement indésirable de l'appareil.

RECYCLING

Help protect the environment by re-using and recycling.

The crossed-out wheeled bin symbol marked on this product signifies that it must not be disposed of with regular household waste and needs to be taken instead to an appropriate collection point.

Le symbole de poubelle barrée présent sur ce produit indique qu'il ne doit en aucun cas être jeté dans une poubelle domestique, et doit être déposé dans un point de collecte adéquat.

Das durchgestrichene Mülltonnensymbol auf dem Produkt bedeutet, dass es nicht mit dem gewöhnlichen Hausmüll entsorgt werden darf und stattdessen zu einer ausgewiesenen Sammelstelle, wie einem Wertstoffhof, gebracht werden muss.

El símbolo del contenedor tachado con una cruz con el que está marcado este producto significa que no puede desecharse junto a la basura doméstica. Si desea deshacerse de este producto, deberá llevarlo a un punto de recogida apropiado.

Symbolen med den överkorsade soptunnan som finns på produkten visar att den inte får kastas med hushållssoporna utan måste istället föras till en lämplig uppsamlingsplats.

Det overstregede skraldespandsikon på produktet viser, at det ikke må smides ud i almindeligt restaffald og i stedet skal bortskaffes i overensstemmelse med gældende genbrugsregler.

O símbolo do caixote de lixo barrado com uma cruz marcado neste produto significa que o mesmo não deve ser descartado com o lixo doméstico, devendo ser entregue num ponto de recolha adequado.

Umieszczony na produkcie symbol przekreślonego kosza oznacza, że nie wolno wyrzucać tego produktu wraz ze zwykłymi odpadami gospodarstwa domowego i należy go oddać do odpowiedniego miejsca zbiórki.

Het symbool van een doorkruiste vuilnisbak op dit product betekent dat het niet met het gewone huisvuil mag worden weggegooid. In plaats daarvan moet het naar een geschikt inzamelpunt worden gebracht.

Il simbolo del cestino con ruote barrato presente su questo prodotto indica il divieto di smaltirlo con i normali rifiuti domestici e la necessità di conferirlo a un apposito centro di raccolta.
